2 Motors. No baseframe

2.30 SL

**NUSSBAUM**  
AUTOMOTIVE LIFTS

# SMARTLIFT 2.30 SL

2.30 SL

## Your benefits

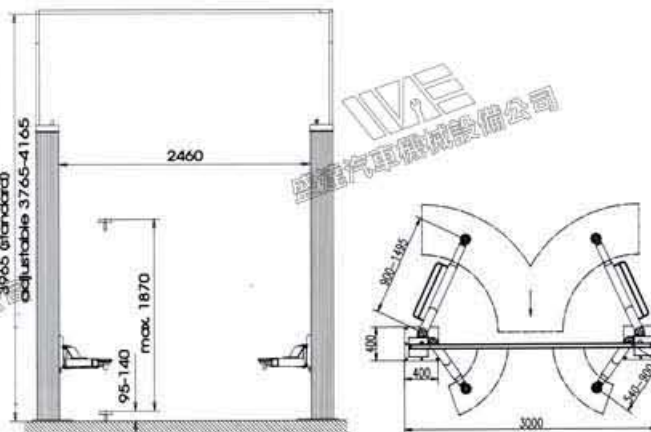

- With the experience of 100,000 lifts sold, the latest engineering and production techniques, the further application of field proven components, a new generation of 2-post lifts is born. Genuine NUSSBAUM, designed and built in Germany.
- 5 years warranty on spindle and spindlenut
- posts statically independent, no baseframe necessary
- optimal workspace because of slim yet rigid posts. Unobstructed floor
- in height (up to 4165 mm) and width adjustable overhead cable-guide-rail
- doorfree asymmetrical lifting with automatic arm locking
- low pick-up height 95 mm. Pick-up pads height adjustable 45 mm
- quiet drive through nylon/bronze spindle nut. Motors integrated in posts
- electric/mechanical synchronization between lifting sides. 15 years proven system design concept allows retrofitment for carmodel-specific future requirements
- CE certified and TÜV tested

## Optional equipment

- energy-set 220 V/air
- energy-set 380 V/air
- energy-set 220 V/ hour counter
- airtool bracket
- base bracket for lift-installation on difficult floor condition

## Technical data

Lifting capacity	3000 kg
Lifting/lowering time	40 sec
Lifting height	1965 mm
Pick-up height	95-140 mm
Overall height	3000-4200 mm
Overall width	3000 mm
Motor	2 x 1,5 kW
